

Ref. Code: AP055

Date: April 2016

Corodrain Lipped Abutment Soaker AS30L

Product Features

Corodrain Abutment Soaker provides a weatherproof protection between a sloping roof and vertical abutment. The bonded 30mm sanded strip give maximum mortar adhesion and the two water bars along the horizontal section prevent moisture entering the roof space.

- Moisture resistance conforms to Building Regs C6 2010 (England and Wales)
- Fire resistance to SAB to BS476 part 3 and Class 3 BS476 part 7 At least durable as lead
- Similar in appearance to lead
- Less prone to theft
- Quick to install
- Smooth surface inhibits the growth of moss & lichen and build-up of debris
- At least as durable as lead

Product specification	
Code	AS30L
Length	3M
Width	220mm
Height	115mm
Standard Weight	1.8Kg
Thickness	1.1mm
Colour	Grey/Blue
Material	GRP - High quality unfilled polyester resin with glass fibre reinforcement
